[FOR IMMEDIATE RELEASE](#)

MARTINIQUE BLUE, MARTINIQUE GREEN, MORE FUN THAN EVER!

In 2005, Martinique is ready to embrace you and encourage your sense of adventure with new fun ways to indulge yourself and discover the island's tropical nature with *Martinique Blue*: **Martinique Aqualand** and *Martinique Green*: **Mangofil** and **Domaine de Sigy** Adventure Parks

Aqualand Martinique opened its doors on February 25th 2004 with a new kind of recreation offered in the West Indies: A wide choice of fun water games for the whole family!

This brand new complex has just been inaugurated. It is the latest of the French chain, Aqualand, that launched this concept in France 20 years ago.

Settled in a 10 acres tropical garden, facing the bay of the city of Carbet on the North Caribbean coast, this park is ideally located on the road to Saint Pierre further north, less than one hour from downtown Fort de France. It features a choice of 8 attractions including 3 especially designed for children. From super slaloms, water slides, water beds to a mini park for the children to experience the adults' attractions on a smaller scale. One of the big hits is the swimming pool with artificial waves that can go from almost unnoticed sways to real breakers!

A team of 30 to 50 professionals, depending on the season, is on site to assist you and make sure that safety rules!

Rates are 16 euros per adult and 13 euros per child 3 to 12. Group rates are available. For more information you may contact Narjis Bensouda, Tel: 011(596) 596 78 40 00 - Fax: 011(596) 596 78 49 65 – Email: parcaquatique.martinique@wanadoo.fr

Mangofil and Domaine de Sigy Adventure Parks launched in Martinique a new concept created in 2000 by a mountain guide. The idea is simple: right in the middle of the forest, areas are set up for different kinds of games, workshops and exciting activities that allow visitors to experience a different way of discovering the country, jumping from rope to rope, from tree to tree, Tarzan way! The visitor moves autonomously but under surveillance, helped by pulleys, karabiners, ladders, monkey bridges, suspended barrels and ropes.

These activities are proposed in a fun and safe setting with the constant support of a team of professionals.

Mangofil, located in Trois-Ilets, is only minutes from the Pointe du Bout area, the main resort in Martinique.

3 itineraries have been designed: *Mangokid* for children, *Big Mango* for adults and the brand new *Mangokaid* even more physical. Thrilled sensations assured!

Mangofil is opened 7 days a week, 9 am to 5 pm

Rates are 15 euros for Mangokid, 20 euros for Big Mango and 15 euros for Mangokaid.

Packages and group rates are also available. For more information you may contact the Manager, Sébastien Millot at :

Domaine de Sigy, located in Vauclin on the south Atlantic coast of the island, has a choice of three itineraries that take you above rivers, from tree to tree, from footbridges to lianas. The must: "Tarzan jump" to land 53 feet below into a safety net!

Petit Manikou is specially designed for children. A two-hour itinerary is dedicated to adults.

The park is opened daily from 9 am to 5 pm. The rates are 10 euros per child and 18 euros per adult.
